Fees

Please note we will no longer be accepting registration fees on a monthly basis. Fees for the whole semester are due at the beginning of the semester (September and January). We will

accept a cheque post-dated up to October 1, 2009 for the first semester and post-dated up to February 1, 2010 for the second semester.

We would like to explain how your fees are being used. Your fees help cover the costs of running the Kvitka dance group. These costs include, but not limited to, hall rental, costume insurance, costume maintenance, costume replacements and instructors. This year we have introduced a costume fee for certain age groups. This is to help cover the costume costs mentioned above.

Seniors your fees also include a \$50 cheque post dated for June 30th. This is returned at the end of the year upon the return of your clean costume. It will be kept if costumes need cleaning or not returned in expected condition.

Rehearsals

Expectation is to show up on time ready to dance in required dancing attire – Kvitka tee-shirt (\$25.00 each) and boys in black knee length sport shorts and girls in black Capri stretch/jazz pants or long black shorts to knee. Dance shoes or slippers and ukrainian belt. Monday night classes, please bring and wear your Poltava belt to each practice so we can work on our hand placement and learn how to tie our belts so all dancers know how for performances. Dancers are expected to wear their uniform to each class as it is mandatory so please come dressed in uniform each class. Girls must have hair tied back and off their face. Have own water bottle (and snack if needed). Monday evening parents – please make sure your child has been to the bathroom BEFORE class – thank you.

Note: If your child was on a sports team they would be expected to show up in uniform – please make sure your child is in proper attire or they may be asked to sit out.

Intermediate and Senior girls are asked to wear character shoes after warm-up/barre. As the floor can be slippery we recommend you to have a rubber grip added to the bottom of the shoe and heel. Your local shoe repair shop such as the one up at Guildford mall should be able to do this for you.

Monday night classes: Please wait in the lobby until the class before you has finished, and your instructor will let you in when they are ready for you.

We are very excited about a new year of Ukrainian Dance and look forward to seeing all of you back in September!

Kind Regards,
